

Did you STOP Voting?
Do you DISTRUST politicians?
Do you HATE the IRS and Inflation?
Do you WANT the Iraq War to be over ASAP?
Do you REALLY support the troops?
Enough to bring them HOME to their families?

Are you willing to VOTE your beliefs?
In YOUR State's Presidential Primary or Caucus?

(Yes, we know you want THAT "lizard-like" person to NOT win
...but you can vote against THEM in November.)

In the mean time...

You were planning to NOT vote in the primary, right?

(So you were going to throw away your vote to "no-one" anyway.)

That is *exactly* what the media and the establishment WANT -- they WANT you to be apathetic -- they WANT you to NOT vote...
They WANT you to stay home, feel frustrated, angry, and apathetic. **Since when do you do what THEY want?**

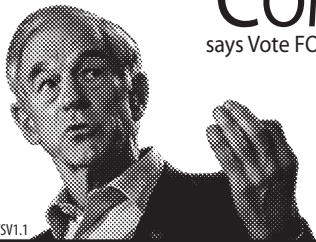

**Why not have the guts to "throw"
your vote to our man[†] instead?**

† By "Our Man" we mean the one that over 100,000 of your fellow Americans sent their hard-earned money to last year. We shook the ground when we donated \$4.2 Million to him last November 5th, and with \$6 Million on December 16th.

Help us get our country back!

**BUT the only way to REALLY CHANGE anything is for
YOU go out and VOTE FOR HIM with us in YOUR state's
Republican Presidential Primary or Caucus.**

COMMON SENSE
says Vote FOR the man whose beliefs match your own.

Ron Paul
Republican For President 2008
